Box Tops question: The funds go directly to the school

FISH TANK:

Did not vote last spring on a budget for the maintenance of the fish tank for the current school year (2015-2016).

Laurie Kindred suggests re-allocating a portion of the \$2000 for gardening on the convent-side to the fish tank.

\$1,440 was the cost for the fish tank this past year (2014-2015).

1st Vote: Emergency replacement of the tank pump \$142. AYE's win

Maintenance for this year (July 1, 2015 to June 30, 2016). Cost is \$1,560.00

Vote on re-allocating the convent garden money to the maintenance of the fish tank.

2nd Vote: AYE's win

A parent requested reimbursement for past services: Parent Association requested more information before making a decision.

4th Vote on tabling the vote on this until we have more information. AYE's win
